

Happy Birthday

By MC3 Joshua Bruns

Crew members assigned to USS Theodore Roosevelt (CVN 71) whose birthdays fall in January celebrated together over lobster tail, shrimp, steak, cake, and ice cream during the ship's monthly "birthday meal."

"It's a great opportunity and I encourage everybody eligible to get down here and get on the list," Command Master Chief (SW/AW) David Stitt said. "And to all of those who missed this month's meal, happy birthday."

- 1.) Seaman Michael Young and Stitt cut the birthday cake.
- 2.) Aviation Ordnanceman 2nd Class David McQuiller, Aviation Machinist's Mate Airman Apprentice Jess Agnew, Personnel Specialist 2nd (AW) Class Christine Radford, and Master-at-Arms 2nd Class Tamara Bulger (SW) enjoy the January birthday meal.
